

National Spent Nuclear Fuel Program

National Spent Nuclear Fuel Program Strategy Meeting

April 22 & 23, 2003

Action Items

Phil Wheatley

*Providing for safe,
efficient disposition of
DOE spent nuclear fuel*

October 2002 Action Items

Action Item	Owner	Due Date	Comments
Clarify the NSNFP role in QA Certification for the sites in FY-03.	Mark Arenaz	11/21/2002	Informal discussions have taken place but no formal decision has been made.
Provide Pete Dirkmaat a list of the 2-3% High Impact Fuels.	Henry Loo	11/17/2002	List sent to Pete Dirkmaat. Shippingport LWBR fuel at INEEL and miscellaneous fuel at the ANL-W Radioactive Scrap & Waste Facility make up the majority of these fuels.

Providing for safe, efficient disposition of DOE spent nuclear fuel
